14 Promotions of Surgeons and Assistant Surgeons have been approved in Council and will be submitted to His Highness shortly. It is seen that 5 Medical Graduates get confirmed as Assistant Surgeons. There will thus be 4 vacancies of these Graduates. Even if one of these is set off against the extra appointment made by the Senior Surgeon some time ago in excess of the cadre, there will still be 3 pukka vacancies. It is therefore quite permissible to take in the two candidates recommended by the Senior Surgeon in this file.

15 A.D.F.N. is therefore submitted for approval.

SIR,

Adverting to this office letter No.G.C.349-4 dated 7/10th July 1922, I have the honour to state that the filling up of the vacancies in the grades of Assistant Surgeons as therein recommended will result in the absorption of the marginally named 4 medical graduates in that cadre, leaving only 6 out of the existing number (10), against the sanctioned number 9.

2. " P.A. Srinivasa Rao.

SIR,

1/ Adverting to correspondence ending with your letter No.1925-Med.4-22-10, dated 24th August 1922, I have the honor to renew the proposals for the entertainment of the two individuals referred to therein, as Medical Graduates.

Of the marginally named Medical Graduates now in service, the first four get absorbed in permanent vacancies of Assistant Surgeons, 2nd Grade, as shown in the Statement of promotions of Medical Officers submitted with my letter No.G.C.349-B, dated 24th October 1922, leaving six in the cadre against the sanctioned number nine. Again, out of these six Graduates, two (Nos.5 & 6) will be officiating as Assistant Surgeons 2nd Grade, till the return of Messrs.Seshachalam and Krishnaswami Rao from deputation. Thus there are three permanent and two temporary vacancies in the sanctioned cadre of Medical Graduates, giving room for the entertainment of Messrs.M.N.Srinivasa Rao and H.V.Rama swami either against two permanent or two temporary vacancies after making allowance for the temporary set-off of two or

ree places against the addition to the cadre of First
ade Assistant Surgeons that will result by the absorp-
on of Mr.Srinivas Paidpet from the Sanitary into t h e
ical Department, as suggested in my said letter dated
h October 1922.

4) The removal of five Sub Assistant Surgeons from
Medical Department to fill the places of Chief Sani-
ry Inspectors, as proposed in my letter No.6118-6, dated
October 1922, will leave me pressed for hands f o r
ing their places. Hence the urgant necessity for the
ointment of the individuals in question whose applica-
ons have been pending disposal for over six months and
ose cost of training Government
will be lost to the Department if they should accept
vice outside, for which they seem to be now free, i n
ordance with the rules.

5) I therefore request that the question of their
ointment may also be kindly decided by Government
ng with the question of filling up the vacancies i n
e grades of Surgeons and Assistant Surgeons.

I have the honor to be,

Sir,
